## What is Thanksgiving in Canada?

Free Noon Hour Concerts Featuring the University of Saskatchewan Amati String Instruments

Presented by the Diefenbaker Canada Centre in celebration of Culture Days 2021.Sure to be a music-lover's delight!

October 13, 20 and 27

Must <u>sign-up</u> to attend due to USask vaccination measures Each year, Canada celebrates a holiday called: <u>Thanksgiving</u>. Indigenous peoples in North America have a long history of hosting feasts to celebrate harvest. European settlers first recognized the event in 1879 but it was not until 1957 when it was declared by <u>Parliament</u> to be celebrated on the same day each year, the second Monday of October.

Traditionally, Thanksgiving was about celebrating the harvest season and was more religious in recognizing the blessings enjoyed. Today, this holiday has become a day to spend with family and friends and to give thanks for all that we have and to be thankful for. The harvest is still a theme of this holiday because meals are a big part of gathering. These meals can include turkey, vegetables and pumpkin pie but there are so many recipes enjoyed!

This Thanksgiving, we hope that you can enjoy time with family and friends and can share what you are most thankful for.
