In Saskatchewan? Looking for things to do?

<https://www.lovethispic.com/image/335951/relaxing-snoopy-hello-august>

The term is almost done, and you probably want to relax and enjoy the last stretch of summer.

It is also a great time to make plans to celebrate and reward yourself for the hard work!

There are many events in the province in August to be enjoyed, some are even free! [Find out more about the events, dates, and prices.](#)

Not in Saskatchewan? [Tell us what you plan to do after the term is done.](#) Better yet, share photos on [Instagram](#) #USLCSumFun! We would love to see what our students do when they are not studying so hard!

Happy August everyone!

[Student Support and Advising](#)

The Student Advisor invites all students to discuss your academic plans and any concerns. [Contact the student advisor](#) to set up a private meeting on WebEx.

Have questions about the fall term and COVID-19? Go to [USask covid updates](#) for information including vaccinations at the student wellness centre.

Vocabulary and **Learning Resources** – here to help you succeed!
 Reading practice: There are **NO LR sessions this week and no Drop In/Open TekTok.**

[Canvas tips for students](#)

There are no sessions but we are still here to help! [Email us!](#)

Important Information for Fall 2021

The University of Saskatchewan is replacing Webex with Zoom for Fall 2021. The University releases Zoom accounts on August 3, 2021.

[Reading for fun!](#)

In the Fall 2021 term at USLC, your class will use Zoom, not Webex. Also, we will use Zoom for Fall Orientation.

[Self-Study for USLC students](#)

You can learn more about Zoom in our Fall 2021 “Welcome to the Language Centre” Canvas course, which will be available in the next few days. You can learn how to opt in to Zoom, how to access your Zoom class, and where to change settings so you can receive notifications.

Have a great final week, a fantastic restful break, and we hope to see you next term!

Reminder: No classes Monday, August 2nd!

Happy [Saskatchewan Day!](#)
