## USLC Team Spotlight

Get to know the USLC Team!

Every week, the newsletter will feature USLC Team members. You will have a chance to get to know them in a more casual manner.

**Name:** Eric Koshinsky  
**Position/Title:** EAP Instructor (Level 1 & 4AS)  
**Years at the USLC:** 14 years 8 months

### **What do you love about working at the USLC?**

The people and how they work together and treat each other respectfully.

### **What is the most 'unusual' thing you have ever eaten?**

I have eaten smoked whale fat (muktuk), sea slugs, cow's eye soup with the eyes in it, and of course moose tongue. There is only one of these that I still choose to eat. You tell me which is the most unusual thing.

### **What is your favourite place you have traveled to? Why?**

Probably Nepal. I spent 3 weeks, in 2000, building houses with Habit for Humanity. The people in Nepal are extremely poor, but they are some of the friendliest, kindest and most generous people I have ever met. Of course Thailand, Guatemala and northern Saskatchewan are all amazing too.

### **What is your favourite book to read?**

I have 3 favourite books: "Minna Unchi"; "All my Friends are Dead"; and "All my Friends are Still Dead". All three are children's books, and all three are very funny (in a dark sort of way). The last two were banned from public schools in Saskatchewan.
