In-person classes are back!

The Language Centre is excited to begin in-person classes once again. We will be continuing (on February 7th) in a hybrid delivery model where class times will be combining both in-person and remote learning students.

For students in Saskatoon, if you want to study in-person, let's make sure that you know what you need to return to the classroom (*following USask [Health and Safety Requirements](#)*):

- Proof of vaccination in **PAWS**
- Masks must be worn at all times in the Williams Building
- A laptop (or we can provide access to the computer lab to attend workshops and LR sessions)
- A classroom number (teachers will announce this in class)

For students who are studying remotely, classes, Learning Resources and Student Practice Workshops will be the same (all online).

Students with technical support questions can email: uslc.studentsupport@usask.ca

If you have questions about your class and building location, please contact your teacher.
