Name: Lynn Bytyqi

Position/Title: Student Advisor & Part-Time ESL
Program Coordinator

Years at the USLC: 20

What do you love about working at the USLC?

The students. They teach me about their country and culture; they also keep me humble and make me laugh. The staff. Everybody's been working together for a long time and we are passionate about language learning and helping our students.

What is your favourite book to read?

I love reading; it is my hobby and my way to relax and to learn. I use book apps, lead book clubs, and give reading workshops. I don't have a favorite book but enjoy international authors.

What is your favourite place you have traveled to? Why?

Many years ago, I went to Turkey for three weeks over the Christmas and New Year holiday. The coastal villages were warm and relaxing. The bustling city of Istanbul was a fascinating mix of international style and Islamic culture with the most stunning mosques. I ate delicious kebabs, drank apple tea, and bought a Turkish rug; it was an unforgettable experience!

What would you sing (if you had to) at Karaoke Night?

If you were lucky enough to hear me singing karaoke, I would be belting out an 80s rock anthem.

It's important to stay healthy during this time. At the [USask Student Wellness Centre](#) on campus, you can see a doctor, get a covid vaccine, or talk to a counsellor. If you have any questions, contact the advisor at uslc.advisor@usask.ca.
