WELCOME TO WINTER 2022!!!

Welcome to the University of
Saskatchewan Language Centre!

It is a bitterly cold start to the winter term
here in Saskatoon, but a brand-new year
to get excited about.

A new year provides an opportunity to
reflect on past achievements and to plan
future goals. As students, you have
already taken an important step in
reaching your academic goals. The
Language Centre is here to provide you with support and training, and despite the
challenges and the uncertainty of the past year, we are excited and proud to have
you with us.

We will continue to provide excellent instruction, added learning opportunities and
social interactions regardless of the mode of delivery.

Please take every opportunity to connect with your teachers and classmates. These
interactions will become the memories that last a lifetime.

I look forward to an opportunity to meet you in the coming weeks.

All the best,
Denise Hauta
Director, USask Language Centre
