## USLC Team Spotlight

Get to know the USLC Team!

Every week, the newsletter will feature USLC Team members. You will have a chance to get to know them in a more casual manner.

**Name:** John Lenz  
**Position/Title:** Instructor (Level 3 & 4AS)  
**Years at the USLC:** 22.5

### **What do you love about working at the USLC?**

I love teaching motivated adults who are willing to put their heart into their studies. When everyone in class is working hard and still having fun, that's a great term for me!

### **What is your favourite book to read?**

I love "The Alchemist" by Paulo Coelho. It's not long or difficult to read, but it's profound and wise. I often recommend it to my students.

### **What is the most 'unusual' thing you have ever eaten?**

VERY fresh octopus. I was told that I had to make sure to chew it very well or the suckers, which were still active, could make it stick in my throat and choke me. I tried that exactly ONE time (definitely not two)!

### **What would you sing (if you had to) at Karaoke Night?**

I love singing the American national anthem, "Star-spangled Banner". It's a very powerful song, musically and lyrically, and it just fits within my singing range. The United States isn't my favourite country in the world, but I think they have the best national anthem.
