## Almost there!

You have worked hard and now you are approaching the end of your term!

Level 4 students – Congratulations! You will soon be moving on to your next educational goal. We are proud of you and hope that you keep in touch.

Level 1-3 students - we hope that you enjoyed your term and we want to thank you for your hard work. If you have questions about next term, contact Lynn at [uslc.advisor@usask.ca](mailto:uslc.advisor@usask.ca)

Good luck with your exams!

## No Learning Resources or Student Practice Workshops this week!

Thank you, students, for another great term. We really enjoyed getting to know you better and hope you found the sessions helpful.

## Returning for spring/summer term?

Students in Levels 1-3 have received an email asking about their plans next term.

If you have not completed the [Confirmation of study plan form](#) yet, please do it this week!

Students who are returning are required to pay a \$700.00 tuition deposit by April 1<sup>st</sup>. You can pay this through PAWS on the "Tuition and Fees" channel. This deposit goes against your future term tuition.

## SLEQ Surveys

Today, students received an email about completing a Student Learning Experience Questionnaire (SLEQ). This is a great opportunity to share what you enjoyed about your classes and what you would like to be improved.

There will be a reminder sent to students who have not completed it in a week. Your participation is encouraged!
